

The Guvvata Yatra, an initiative of the Quality Council of India (QCI), seeks to promote a strong culture of quality across the country, with a special focus on underserved regions. It aims to build awareness, strengthen support ecosystems, and encourage the adoption of quality principles across sectors, including healthcare. Through these efforts, the initiative supports India's vision of becoming a progressive and developed nation by 2047.

About NABL

IIT Sonipat collaborates with Quality council of India (QCI) for NABL Guvvata Yatra a National initiative to promote quality and accreditation among laboratories through awareness programs.
