

National Workshop on Single Crystal X-ray Diffraction

Organized by Central Research Facility (CRF) & SATHI

*The Goal of this workshop is to provide **Hands-on training** on High –intensity Single crystal X-ray Diffractometer to understand the in-depth operations and working phenomena followed by data analysis.*

**Date:
8th January, 2026**

**Time:
10:00 AM – 5:00
PM**

**Venue:
Central Research
Facility
Block-V, LT-1
IIT Delhi
(Hauz Khas
Campus)**

Keynote Speakers

Prof. Binay Kumar
Delhi University

Prof. S. Gourinath
Jawaharlal Nehru
University, Delhi

Prof. Sajesh P
Thomas
IIT Delhi

Prof. Deepthi Jain
RCB, Faridabad

Prof. Dilip Kumar
Ashoka University

Additional highlights: Single crystal data analysis and interpretation, application of SCXRD in materials, pharmaceutical and biological sciences and Crystal structure refinement

Eligibility:

Researchers/ Scientists/ Faculty from Academia and Industries

Registration Fees:

₹ 3000 for PG & Research Scholars || ₹ 5000 for Postdoc/Faculty/Scientist || ₹ 7000 for Industrial Participants

**Limited
seats!**

- Shortlisted participants will be intimated *via* e-mail
- Participants needs to arrange accommodation by themselves
- Only 30 participants are allowed (First come first serve).

For registration and further queries, mail to:
ashokpatel@bioschool.iitd.ac.in, ravinder.kumar@crf.iitd.ac.in

Scan the QR code /  link to Register (till 5TH January 2026):
